

Tompkins-Seneca-Tioga School Boards Association Board Member of Achievement Honoree

Brian June was elected to the Dryden Board of Education in 2003. He has been involved with various committees including faculty contract negotiations, building committees and many others. He is very popular in the community as an advocate for quality education at an affordable price to taxpayers.

Brian has served as an active substitute board member on the TST Executive committee and is very good at bridging the concerns of board members, administration, faculty, students and community groups and helping us come to consensus on difficult issues.

He has been a moderator at a number of legislative breakfasts. Brian was on the CNYSBA Board of Directors for three years and served on their Long Range Planning Committee.

Brian is very involved in the Arts and Athletics including a project to paint our Gym with decorative PAW prints to raise money for our school. He has always

been an advocate for youth activities, as well as a mentor and roll model to the students.
